

All about a Career Outside Science: Pathways into Non-Scientific Work

TwentyOne Skills

Objective

What are my career options in commerce and industrial research? In this class, we'll look at possible position and research fields outside universities.

- What are the qualifications and possible positions for me?
- How can I apply and what documents do I need?

A special focus will be on preparing for job interviews and assessments centers.

Description

- Career outside science
- Paths into commerce and industry
- Industrial research
- Application documents
- Job Interview
- Assessment Center: exercises and how to get prepared for them

Conditions

In cooperation with TwentyOne Skills, GRADE offers about 35 asynchronous online courses.

The 3-month sessions start at the beginning of January, April, July and October.

Registration is possible at any time. Confirmed participants can access the courses for 3 months at the online platform of TwentyOne Skills.
