

Be More Efficient with the Pareto Principle - eLearning Nugget

TwentyOne Skills

Objective

Learn about the background of the Pareto Principle. Its goal is an increased efficiency and a clear basis for decision making in order to use one's time wisely. We use a four step program for your own implementation of Pareto on scientific reading.

Description

- What is the "Pareto Principle"?
- Get to know the goal of the technique
- How to apply the pareto principle to your reading duties
- Learn about the scientific background

Conditions

In cooperation with TwentyOne Skills, GRADE offers about 35 asynchronous online courses.

The 3-month sessions start at the beginning of January, April, July and October. Registration is possible at any time. Confirmed participants can access the courses for 3 months at the online platform of TwentyOne Skills. The current registration link can be found here: <https://tinygu.de/en21skills>
