My Academic Journey: Tools for Career Planning

Objective

In this class, you will learn about the chances and challenges when deciding for a career in, with or outside science. One important aspect is the necessity of a Plan B, another is getting an overview of the job market and its requirements for academics. We'll be applying self-assessment tools for career planning such as the "Odyssey plan" and "Ikigai" and share templates for career planning.

Description

- Career paths for academics – overview
- Chances and challenges – a career in science
- Job market in science
- Career options for graduates
- Self-assessment tools
- Basic elements of career planning
